

MAGMA "Marine Kettle" Gas Grill
w/Hinged Lid & "Stay Cool" Handle

Made of 100% 18-9 mirror polished stainless steel, this grill was designed for economy without sacrificing function. It will give you the safety, durability and performance required of a marine grill. It uses our time-tested, highly efficient radiant plate system in conjunction with convection heating technology to achieve hot, even temperatures while using a minimum of fuel. It quickly comes to temperature and is great for searing steaks or just grilling up some burgers and dogs. The grill quickly disassembles without tools for easy clean-up. The patented swiveling turbo venturi tube allows you to rotate the regulator/control valve where it is most convenient to you. It virtually eliminates blow-outs. This design also allows for quick safe fuel canister changes even while grilling.

- Requires grill mounting hardware for complete installation.
- Mounts and fuel canisters sold separately.

MAGMA Infrared, Gourmet Series Gas Grills

Fold-away table top legs make it versatile, portable, and ready for action in all on-board or on-shore applications. The infrared technology and anti-flare screen system, produce intense, evenly distributed, heat, reduce flare-ups at the cooking surface and immediately emulsify food drippings giving your meal a great smoky flavor. Made in the USA, this grill is constructed entirely of 18-9 mirror-polished marine grade Stainless Steel. The swiveling control valve regulator allows for quick, safe fuel canister exchange. Uses standard disposable 1 lb. Propane fuel canisters or easily adapts to existing on-board low pressure Propane (LPG) or Natural Gas (CNG) fuel systems.

- Mounts and fuel canisters sold separately.

MAGMA Gourmet Gas Grills

Now with Fold-away legs making this the go-anywhere grill to enhance all of your outdoor activities. It grills quickly, evenly and disassembles easily for cleaning. Uses inexpensive disposable 1-lb. propane cylinders or adapts to on-board LPG (propane) or CNG (Natural Gas) systems.

- Mounts and fuel canisters sold separately.
- Full size inner safety shell. Funnel grease into front-access grease tray reducing flare-up and heat discoloration.
- 100% 18-9 mirror polished stainless steel. For lasting beauty and superior corrosion resistance.
- Convenient snap-out dual radiant plate. Allows quick, easy clean-up and perfect even heat distribution.
- Oversized perfectly balanced lockable lid won't slam shut and secures all inner components for transport.
- Swiveling valve regulator. Allows quick gas bottle exchange.
- Magma offers the largest selection of mounting options and accessories to customize your grill to your boat.
